HUGH OAKS
LAID TO REST

Final rites were held at Groves Funeral Home, Flint, on Friday, April 21 at 2 P. M., for Hugh S. Oaks, 80. Grandsons of the deceased served as pallbearers and interment was in Flint Memorial Park Cemetery. Rev. A. G. Frost officiated.

Mr. Oaks was born in Genesee County on February 15, 1870, to Mr. and Mrs. Proctor Oaks. He married Bertha Wilcox, who survives him, in Grayling in December, 1895. They have four children, Herbert E. preceded them in death. Harry E. of Detroit and Ralph E. and Mrs. Ruby West of Clio survive. Also surviving are nephews, Oscar Deckow of Long Beach, California, and Hurl and John Deckow of Grayling and nieces Mrs. Doris Palmer, Mrs. Eureka Stephan of Grayling and Mrs. Laura Parker of Roscommon, as well as eight grandchildren and ten great-grandchildren.

Catholic Youth Rally
Held in Grayling

Two hundred and fifty high school age youth, representing eight Catholic parishes met in Grayling last Sunday afternoon for the annual rally of the Annie Oakley Club of the North. From Boyne City and Boyne Falls, Elmira and Gaylord, Grayling, Roscommon, West Branch and Cadillac came the youth to assemble in St. Mary's Church, Grayling, at 3 o'clock for benediction of the blessed sacrament conducted by the Rev. Jerome Szydlowski, pastor of St. Thomas Parish, Elmira. Leaving the church, a fifty-five car caravan, escorted by the Grayling City Police, wound its way to Vern's AuSable River Inn for the remainder of the program. Fr. Hugh Behan, assistant pastor of St. Jean's Parish, Muskegon, taking the place of Fr. Joseph Murphy of Grand Rapids, who is ill, delivered two very interesting and practical talks to the assembled group. His theme was that of the movie shown later in the program, "You Can Change the World," based on the nation-wide Christo-phian movement that people can influence lives of others for good, in opposition to the evils in the world today, by word and by example.

Carl Johnson Named
Golf Club President

At a Grayling Golf Club board of directors meeting held last week, Carl W. Johnson was named as president for the coming year. Robert Strong was elected vice-president and J. Lorne Douglas named as secretary-treasurer.

Named to the board of directors for the coming year, besides the officers, were last year's president, Alfred J. Sorenson, Dr. J. F. Cook, William Joseph, George Olson, George Morrison, Holger Hanson and Harold MacNeven.

Danny Brown was hired as club house manager for the year and Otis Cook again will be the greens-keeper. The opening date for the club was set tentatively as May 14. Plans call for the club house to be open from noon until 10 P. M. continuously each day.

Dues for the coming season were set as follows: Full participating membership for a family including all children up to 21 years of age, \$40.00; full participating membership for a single person, \$25.00; family social membership which includes club house privileges but no golf, \$20.00; single social membership, \$10.00.

Getting Ready
For School

Is your child ready for kindergarten? May is the time to take your five-year-old to his doctor and dentist for a double check on his physical and dental health, to begin to acquaint him with the route to school and the school building, and to give thought to his ability to help himself.

Going to school will place increased demands on the child's energy and vitality. He should be in the best possible health. Visits to his physician and dentist now, will reveal any defects which can be corrected before school starts. If he needs special medical care, the summer will allow time for it. If he needs glasses, he will have all summer to get used to them. If he has a hearing defect, correction now may save his hearing as well as prevent difficulty in school.

The school brings together many children and thus increases your child's danger of exposure to communicable diseases. Optimum health and reinforcement of his immunity will help to protect him from these. He should have his preschool booster shots for whooping cough, diphtheria, tetanus and another vaccination against small-pox at this time.

Show your child the safest route to school and point out its hazards. Make sure that he knows how to cross the street. Help him to understand that policemen are there to protect him.

Take him to the school and through the schoolyard so they won't be entirely foreign to him in the fall.

Help him to learn to help himself. The school situation will be easier for him if he can put on and take off his coat and rubbers, go to the toilet alone, take care of his personal belongings, play with other children, stay without mother, speak plainly and tell his own name and address.

Your child has been preparing himself for kindergarten since his babyhood. These are just the next natural steps toward his school life.

Preschool examinations will be done at the following doctors' offices on the following dates and hours. A fee of \$1.00 will be charged for these preschool examinations which will include immunization. The health department nurse will assist with these examinations.

Dr. S. A. Stealy, Grayling, Thursday, May 4, 9:30 to 12 A. M.
Dr. M. A. Martzowka, Roscommon, Monday, May 8, 9:30 to 12 A. M.
Dr. L. F. Hayes, Grayling, Tuesday, May 9, 9:30 to 12 A. M.
Dr. Keyport, Clippert & Henig, Thursday, May 11, 9:30 to 12 A. M.
C. E. Merritt, District Health Dept.

Mail Delivery
To 1 a Day

Acting Postmaster James Post announced effective May 1 that mail delivery will be reduced to once a day on orders from the Post Office Department.

There will be two deliveries a day in the business district. In the residential area morning delivery on the north side of Michigan Avenue and an afternoon on the south side of the main street, will constitute the once a day delivery in the city, Postmaster Post said.

PATCH-McCLAIN
WED IN CHURCH RITES

Wearing a white organfy floor length gown, and finger tip veil, Miss Wilda J. Patch became the bride of Jerry D. McClain on Saturday, April 15. She carried an arm bouquet of Easter-lilies and red roses tied with white streamers. Rev. R. C. Puffer officiated at the double ring candle light ceremony in Michelson Memorial Church at 8 o'clock in the evening in the presence of one hundred guests. The church was resplendent with baskets of spring flowers given by the bridesmaids. Miss Wilda was given in marriage by her father, Lohengrin's Wedding March was played by Mrs. Russell Barber of Detroit, cousin of the bride. A solo, "Because" was rendered by Thomas Stancil and a duet, "I Love You Truly" by Don Gottho and Mr. Stancil.

Couple Wed 48 Years
Die 10 Minutes Apart

Services were held at 2 P. M., Sunday, April 23 at the Congregational Church at Lewiston for Mr. and Mrs. G. A. Winterlee. Rev. Hazzard officiated and burial was in Lewiston Cemetery.

Mr. Winterlee died at 1:40 P. M., April 20, 1950 and Mrs. Winterlee at 1:50 P. M. at the home of their son, Howard, in Mt. Morris.

Dora May Cheney was born at Bath, Michigan, May 9, 1886. Gustavus Albert Winterlee was born at Kalamazoo, Michigan, June 27, 1864.

Mrs. Winterlee when a small girl moved with her parents to a farm near Rose City, Michigan.

Mr. Winterlee was left an orphan at the age of 8 years and was placed in the orphan home at Coldwater. As a young man he traveled for a tobacco company, later he became deputy sheriff at Dallas, Texas.

They were united in marriage at West Branch on November 24, 1902 and settled at Rose City, where their six children were born.

In 1916 they moved to Lewiston, where Mr. Winterlee was employed by the Michigan Central Railroad.

Mrs. Winterlee's spare time was spent with the Congregational Church, the Ladies Aid and helping to care for the sick of the community. One daughter, Ida Beatrice, preceded them in death in 1928.

In 1930 Mr. Winterlee was transferred by the railroad company to Grayling, where they had since made their home.

Surviving them are three sons, Russell, Howard and Elmer, all of Mt. Morris; two daughters, Mrs. Eno Kujala of Wyandotte, and Mrs. Elmer Halberg of Lewiston and 15 grandchildren; also Mr. Winterlee a brother, Edward of Owosso and Mrs. Winterlee a brother, Elmer Cheney of Flint.

Youth Arrested On
Larceny Charge

Edwin Bancroft, 17, of Hesperia and formerly of Grayling was arrested last Tuesday afternoon on a charge of larceny from the Grayling bus station and from parked cars by Sheriff William Golnick and Police Chief George Biel-ski.

Bancroft admitted pilfering three local cars and two out of town cars parked near Shoppings Inn and the Welsh Motor Sales. All of the stolen property was recovered except one pair of trousers, the arresting officers said.

Sheriff Golnick turned the youth over to the Newaygo County Sheriff who had a warrant for the arrest of Bancroft on a stolen car charge. He was also wanted for questioning on the breaking and entering of two gas stations in Newaygo County. In that the larceny charge here would have meant holding the youth until the July term of Circuit Court, it was decided to honor the earlier issued Newaygo County warrant.

GEORGE E. ROE
SUCCUMBS

Funeral services for George Roe, 73, of Frederic were held at the Frederic Bible Church on Friday, April 21 at 2 P. M. Elder Roy Newberry officiated and interment was in Oakwood Cemetery. Max Tobin, Jesse Pratt, Ace Leng, Carl Johnson, C. Henry Battles and Wm. Leng acted as pall-bearers.

Mr. Roe died at Grayling Mercy Hospital on Wednesday as the result of a stroke. He had been ill about three months. Born in Mecosta County, June 14, 1876, he has resided in Frederic the past 51 years. His wife died several years ago. Surviving are a half brother, Walter Butts of Barryton and two half sisters, Barbara Butts of Montana and Matie Nelson of Whittemore.

Here to attend the rites were Walter Butts, Mr. and Mrs. H. Nelson of Whittemore, Mrs. Bernice Hubbard and daughter of Flint, Mr. and Mrs. William Gram of Walied Lake, Mr. and Mrs. Pat Topham of Mayville, Mrs. Bernice Elsworth and daughter, Sally of Flint, Mr. and Mrs. Leland Boven of Clio and Mr. and Mrs. James Boven of Shields.

Henderson-Kolka
Wed In Church Rites

Mr. and Mrs. William Henderson of Roscommon announce the marriage of their daughter, Nola, to Virgil Kolka, son of Mr. and Mrs. Dan Kolka of Grayling, on Saturday afternoon at 1 o'clock. Rev. R. C. Puffer officiated at Michelson Memorial Church.

The bride wore a brown suit with headed bodice and a pink and yellow gardenia corsage. She was attended by her sister, Margaret, who wore a grey ensemble and identical corsage. Warren Hatfield of Grayling was best man for the groom.

The bride's parents were hosts at a wedding supper at their home following the ceremony. Mr. and Mrs. Kolka will reside in Bay City, where he is employed by the Birds-Eye Company.

GRAYLING EVANGELICAL
LUTHERAN CHURCH
PULPIT EXCHANGE

On Sunday, April 30th, the Rev. Paul Wickman of Manistec, will conduct the service and preach in our Grayling Church. All are welcome.

Aero Club Asks Large Local
Turnout For Dawn Patrol

The Aero Club of Grayling today issued an invitation for everyone in Grayling and the surrounding area to take part in welcoming the awaited planes of the Third Annual Grayling Dawn Patrol.

The club message said, "Next Sunday morning, the City of Grayling will be proud to play host to the Dawn Patrol, participating aircraft from all over Michigan and surrounding states, it will be, we are confident a day to long remember."

The extending of a hearty welcome and the expression of warm hospitality will be the only encouragement needed to insure the return of many of the visitors to our pleasant resort areas. As we are all aware of the fact that the tourist business is of utmost importance to us; it is hoped that all local people who can possibly make such arrangements will be at the airport next Sunday. Thus extending the kind of reception that will be a fitting introduction to our year-around sports and vacation land.

Some of us have heard it said that our town lacks enthusiasm for such a reception; that we definitely do not believe. The

support so far received from all sides both with the work and planning of our Dawn Patrol, as well as the appropriate prizes donated by our local business people, indicate active interest.

The Grayling Chapter of the Aero Club of Michigan, sponsor of the Dawn Patrol, wishes to extend its heartfelt gratitude and appreciation to all those who have given their generous support to the program. With everyone doing their best next Sunday to extend to our flying visitors the kind of welcome we want them to have, we know they will return again and again to enjoy the many things we have to offer. Let's all plan on taking our part in making our guests feel as much at home here as we do ourselves."

Clean Up Week

Next week is clean up week in Grayling and the city trucks will be around on Monday, Tuesday and Wednesday to pick up debris that is placed at the curb.

Hold Viking
Annual Banquet

Eighty Grayling Viking athletes, their fathers, Viking cheerleaders and their mothers and guests gathered at the High School Monday evening for the Annual Award Banquet.

Former Grayling Coach Willard Cornell acted as toastmaster and was introduced by Superintendent Frank L. Bond. He in turn introduced Miss Wanda Mikrut after a short talk. Miss Mikrut presented cheerleader letters to Marlene Jensen, Joan Simpson and Dolores Golnick as seniors and introduced Marlene Sorenson, Vi-tette Isenbauer and Jermae Harwood, the junior cheerleaders.

Toastmaster Cornell then called on Viking Coach Bruce Smith who presented athletic letters for basketball and football to the participants. Those receiving letters were: for basketball and football, Elery Horning, Bob Rasmussen, Victor Papendick, Ernie Miller, Bill Worden, Jack Trudeau and Hank Feldhauser; basketball letters: Jim Feldhauser, Bob Niederer and Wilfred Laurent; football letters: Floyd Horning, Lee Nolan, Warren Hatfield, Jack Goss, Skip Hanson, Don Milliken, Jerry Baker, Duane Worden, Rex Hurter, Jack Kolka, Don Anthony and Earl Jensen. James Burch received a football manager's award and James Bond a basketball manager's award.

Toastmaster Cornell then introduced L. Dale Faunce, Councillor for men at Michigan State College who spoke on several phases of athletics and coaching and dwelt at some length on the football players of Michigan State and the possibilities of the coming season in view of spring football training now going on at East Lansing. The group then, dispersed to the gym, where Mr. Faunce narrated full color motion pictures of the Notre Dame-Michigan State game which took place last fall.

He explained the outstanding work of a number of the players on each team. The banquet was a real success and enjoyed by all.

Grayling Police Chief
Reports Violations

Chief of Police George Biel-ski reports a minor accident on Michigan Avenue when a car backing away from the curb struck another parked in the center of the street. Damage was very slight. Both cars were owned by local people.

Chief Bielski reported that an inspection of cars for brakes and lights and other safety factors was being considered in view of the apparent disregard of warnings. He said that warning and lenience in issuing tickets for brake and light violations had not cleared up the situation, so for the protection of the drivers themselves an inspection is being considered. The seriousness of driving with faulty-brakes or head-lights out should not have to be pointed out, he continued. It is much better to test before you drive than to feel bad after the damage or a death results from those causes.

Another serious violation is the operating of a vehicle under the influence of liquor, the chief said and added that it seems to be growing not only in Grayling but generally. He asks for the full co-operation of drivers on this score or he promised that drastic action would be taken.

A fire on Sunday got out of hand burned over a neighbor's property nearly causing a serious fire, the chief pointed out. It was a bonfire to consume leaves and with a wind, spread. The chief pointed out the city ordinance number 11, article 4, section 1, which states, "No person shall start any bonfire within 25 feet of any building unless such fire be contained in a proper safe container, and no such fire shall be permitted to burn unless some person attends the same constantly until it is completely extinguished." Section 2, "When in the judgment of the City Manager or the Fire Chief the burning of any fire constitutes a hazard, the same shall be ordered extinguished, and no person shall fail to obey such order."

Crawford Home Extension
Achievement Day, May 10

The Crawford County Home Extension Achievement Day will be held Wednesday, May 10 at the Michelson Memorial Church. The ladies will bring in exhibits of work accomplished through the Home Extension lessons during this past year and plan for the project lessons to be taken during the 1951 program. This will be held at 10:30 A. M.

The afternoon program will include several musical selections and a discussion of Homemakers' Conference.

"All About Flowers in the Garden and in the Home" will be the topic presented by Mr. H. I. R. Chapman, Extension Specialist in Horticulture from Michigan State College. Mr. Chapman has had considerable experience with caring for flowers in various interesting places. This talk will be held at 1:30 P. M., and will be open to the public. Come and bring your friends.

From where I sit... by Joe Marsh

His Punch is His Signature

Was on the train up to Central City the other day and when the conductor came around, I asked him why their ticket punches make such odd-shaped holes in the ticket.

"Every conductor in the country has a different design for his punch," he tells me. "Some even show up a fellow's preferences. Now take mine. The hole it makes looks like a bear goblet."

Sure enough! Then he went on to say that the punch is just like the conductor's signature. Makes it easy to trace tickets... to check up if something happens.

The Country Press Says

Clarksdale, Mississippi, Press Register: "Co-ops keep their tax-exempt privilege despite the huge annual business of such organizations."

Mantua, Ohio, Record: "The voters of America are faced with a choice of individual opportunity or 'welfare security.' Given the whole truth, there is no doubt that their choice will be the right one."

Paris, Tennessee, Parisian: "Needless bureaus should be eliminated, and the overlapping divisions of our government should be merged."

Berlin, Maryland, Eastern Shore Times: "The pity of it is that under our present system of big government and big spending the average citizen seems to utterly fail to realize that he is picking up the check."

Macleville, Kansas, Enterprise: "It was 'taxation without representation' that brought on King George's trouble way back in 1776. And ever since that time, Americans have considered it not only their privilege, but their duty to complain about taxes."

Lewiston, Pennsylvania, Sentinel: "We haven't much sympathy with the fellow who is ready to be generous with our money."

Abilene, Kansas, Daily Reflector-Chronicle: "At no time since the redemption of 'E' bonds was started has the person who received \$100 been able to buy as much with his money as he could have bought 10 years before with the \$75 that he paid for the bond. Maybe the country can stand this fantastic financing—if it cannot it will be just too bad."

Humboldt, Iowa, Republican: "We may just as well quit kidding ourselves. As long as we demand the services from government that we are now demanding, we will have to pay the taxes. There is no such thing as shifting the payment of taxes to the other fellow."

BUILT LIKE A BATTLESHIP

It's Ford for big car comfort and roadability. Its low, box-section frame with five cross members gives extra strength and rigidity. The advanced engineering design provides low center of gravity and unusual stability.

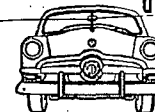

BUT WRAPPED LIKE A GIFT

For the second year in a row, the New York Fashion Academy has awarded Ford its Gold Medal as "Fast on Car in the Year."

FORD IS THE BIG ECONOMY PACKAGE!

With its low first cost, low upkeep and high resale value Ford is the new standard of value. And in the recent Mobilgas Grand Canyon Economy Run, officially supervised by AAA, a '50 Ford "Six" with Overdrive won the economy championship of its class—the 3 full-size cars in the low-price field.

SUPERVISORS' PROCEEDINGS

(Continued From Page 5)

Report of Crawford County Road Commission:
Annual Report of Board of Crawford County Road Commissioners for Year Ending December 31, 1949.
To the Honorable Board of Supervisors,
Crawford County, Michigan.

Respectfully submitted,
Board of Crawford County Road Commissioners.
Chester Lozon, Chairman,
George Skingley, Member,
Elmer Corsaut, Member.

The year 1949 as covered by his report of Receipts and Disbursements was utilized by carrying out the following operations of work.

Maintenance: The regular operations of routine maintenance consisting of Blading, Claying, Patching, Shoulder trimming, Snow Removal, Ice Control and etc., was carried on in all Townships throughout the County. Claying operations was carried out on all main traveled roads.

Construction: A turn piked road was built into the river commencing near the North East Corner of Section 14, and running East to the Section line of Section 13, following the North 1/4 line, thence North to the river, T 26 N, R 2 W. This road was brushed out 40 ft wide and a 30 foot turn pike was constructed, making it suitable for snow removal.

Provisions for a road into K. P. Lake were made by brushing out road 40 feet wide to the South end of the Lake. This will give full access to the Lake which does not now provide. This road starts near the intersection of sections 28, 29, 32 and 33, T 28 N, R 2 W and goes East around the South end of the Lake to a state aid fishing site.

A turn piked road was built into Shupac Lake, commencing near

will be abandoned this year.

Right of Ways: Right of ways were received from Ralph Redhead, Mrs. Don Henderson, Timberlands, Inc., Consumers Power Company and James Wakeley for the road into the river across Section 13, T 28 N, R 2 W. Also right of ways were received from the Conservation Department for the road into Shupac Lake, Loon or Barnes Lake, and K. P. Lake.

Federal Aid Program: The Board of County Road Commissioners decided not to participate in a Federal Aid Program this year. The money available will still be available next year and the County may be better able to enter into a matching program.

State Trunk Line: Considerable improvement was done on the State Trunk Line. A new location of the road from Smith Bridge East will remove several curves and hills of the present road. Improvements were carried out this year near McMaster Bridge Road and East eliminating several bad water holes and widening the present road. Shoulder building and general maintenance was carried out on all trunk line Highways. The new concrete highway south of Grayling was put into use about July 4th. New route markers and signs were erected. M-76 and M-18 being the new route marker on old US-27 and US-27 being used on the new location.

Announcing Engagement Of Shirley Jean Bennett

Mr. and Mrs. Aden J. Bennett of Santa Cruz, California, formerly of Grayling, announce the engagement of their daughter, Shirley Jean to Paul Richard Peck.

Shirley graduated from Grayling High School in 1947. She has been employed by F. & W. Woolworth and Co., of San Cruz for the last eight months.

Paul is the son of Mr. and Mrs. Vernon Peck of Black River, New York. He has just recently been discharged from the U. S. Navy, where he served four and one half years as a navy pilot.

The wedding will take place July 4, 1950 in Santa Cruz, Calif.

Ann Arbor Wedding Of Interest Here

Miss Marjorie Lovely, daughter of Mr. and Mrs. Dennis Lovely of Ann Arbor and Bill Smith, son of Mrs. Laura Smith, also of the city were united in marriage at the Lower Light Tabernacle, Ann Arbor on April 15. The Rev. Lee Manzer officiated in the presence of the family and a few friends. Easter lilies and spring flowers furnished a background for the single ring ceremony.

The bride chose an aqua ensemble with gold accessories and hat and wore a yellow orchid corsage. Miss Barbara Haines of Pickney was maid of honor and wore a brown suit complemented with yellow and a yellow corsage. Robert Woodard of Ann Arbor was best man.

A reception for twenty guests was held at the home of the bride's parents following the wedding, after which the couple left on a week's honeymoon trip to Grayling.

The bride attended Grayling and Ann Arbor schools and the groom Ann Arbor schools. The bride's parents moved to Ann Arbor from Grayling about seven years ago. Both young people are employed at the Michigan Union, Ann Arbor. They are at home to their friends at 1334 Harpst Street for the present.

Observe 40th Wedding Anniversary

Mr. and Mrs. Harvey B. Wheeler of Pontiac were recently surprised with a party in honor of their 40th wedding anniversary. Plans were made by their two sons and five daughters.

The affair was held at the home of their daughter, Mrs. Keith Morgan of Drayton Plains. Fifty-three relatives attended from Baraga, Standish, Flint, Pontiac, Drayton Plains, Detroit and Chatham, Ont., among them their eighteen grandchildren and two great-grandchildren.

This was the first time in twenty-eight years Mrs. Wheeler's four sisters and two brothers have been together.

The Wheelers left Grayling about twenty years ago.

Feather-bedding scheme of Firemen's Union to put an additional firemen on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said the demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional

firemen to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 28. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety in sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is

Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these unsafe make-work demands.

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

OUTSTANDINGLY GOOD

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these unsafe make-work demands.

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

Feather-bedding scheme of Firemen's Union to put an additional firemen on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said the demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional

firemen to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 28. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety in sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is
